

BRANDED BOTTLE BAGS

Designed, printed and delivered directly to you

Our easy to use and store bottle bags with detachable dividers are perfect for carrying your milk. Available in 2 and 4 bottles sizes.

With comfortable handles, the bags are designed to get your bottles home safely. If your customers need to carry other produce or other vending machine goodies as well as bottles, the divider can be adjusted to accommodate both items or the divider can be removed completely.

Our bottle bags are packed in convenient quantities with a minimum order of 50 in any size combination.

Our bags which are manufactured in India can be over printed with your branding with print in the UK with approx 10 working days turnaround.
